ORAL JUDGEMENT

In this petition filed in the year 1988, the petitioner a stenographer in the Indian Standards Institution had challenged the action of the respondents in giving her breaks in service and in not granting her

permanent status and benefits flowing from the same. When the matter is called out for final hearing today, the learned counsel for the petitioner as well as the learned counsel for the respondents state that the petitioner had already given up her job in the Indian Standards Institution about 7 years ago and has taken up employment elsewhere. Both the learned counsel therefore agree that the petition has become infructuous. In view of the above, the petition is dismissed as having become infructuous. Rule is discharged. There shall be no order as to costs.

2 While this matter is disposed of today, Mr J.S.Jadav appearing for Indian Standards Institution states that this petition was required to be heard with Special Civil Applications Nos.1839 of 1987 and 5055 of 1987 which are also filed against the same institution. He further states that the aforesaid petitions are required to be placed on the Board for final hearing. Office shall look into the matter and if these matters are not already notified, shall notify these matters for final hearing.
